

# **William Rudisill, Ph.D**

922 Santa Barbara rd, Berkeley, CA 94707

william.rudisill@gmail.com

(704) 691-5932 / / / willrudisill.net

## **Education**

- Boise State University (Ph.D Geophysics) 2022
- Boise State University (M.S Hydrological Sciences) 2018
- University of North Carolina at Chapel Hill (B.S Geology) 2015

## **Work Experience**

- Postdoctoral Research Fellow, Lawrence Berkeley National Laboratory Climate and Ecosystem Sciences Division, 2022–present
- Research Scientist, ATA Aerospace, 2022
- Graduate Research Assistant, Boise State University Department of Geosciences, 2016–2022
- Whitewater Kayak Instructor, Cascade Raft and Kayak, 2015-2018
- Whitewater Kayak Instructor, US National Whitewater Center, 2010-2014

## **Professional Activities**

- Member of the American Geophysical Union
- Manuscript Reviewer for the Journal of Hydrometeorology, Earth Interactions, Journal of Applied Climatology, JGR: Atmospheres, Springer Nature
- NASA Terrestrial Hydrology Program Reviewer
- Editor of the Mountain Views Chronicle (2024)

## **Grants and Awards**

- CO-PI on DOE ASR Program Award (\$2M+), 2024
- DOE EESA Early Career Development Grant (\$30k), 2023
- DOE SCGSR Graduate Research Fellowship, 2022

## **Teaching and Mentorship**

- Mentor: (2x) LBNL SULI Internship program, 2024
- Teaching Assistant: Hydrologic Modeling and Remote Sensing (BSU; 2022)

## Technical Skills

- Python (pandas, xarray, dask)
- Geospatial analysis (gdal, geopandas, rasterio)
- HPC systems

## Publications
